

GstarCAD server license offline activation, legacy 2013 - 2019

1007 kbadmin July 6, 2021 [Activate / Deactivate](#) 0 9057

Instruction: if your computer can not connect to the internet, you could use another one with internet connection help you to finish activation.

After the installation is finished, a utility program group called “GstarCAD Network License Manager)” is added to Windows Programs in which you will find:

GstarCAD License Manager (server) : Managing the list of licenses on the server computer.

LMTools : A tool which is used to manage license server for network.

Uninstall : Uninstall program

Click “GstarCAD License Manager (server)” from Windows Start button> All Programs> GstarCAD Network License Manager.

Then the following window will pop up. Click the “Activation” button.

Click “click here” to open the manual Activation guide.

The image shows a Windows-style dialog box titled "Activation". At the top right is a close button with an "X" icon. Below the title bar, the text "Input your Serial Number" is followed by a large empty text input field. Below this is a label "Quantity of license:" followed by a small input field containing the number "0". To the right of this is a button labeled "Activate On-line". Below these elements, the text "GstarCAD provides 2 ways to activate your program:" is followed by a numbered list. The first item says "1. If you want to activate your program on-line, please input your serial number and click 'Activate On-line'." The second item says "2. If your computer is not connected to the internet, please [click here](#) to use the manual activation wizard." The text "click here" is underlined and blue, and is enclosed in a red rectangular box. At the bottom right of the dialog is an "Exit" button.

Follow the Activation guide. Please input Serial Number and specify the quantity of license, then click the “Generate” button to get the Application file and save it to the local computer.

Activation

Step1:

Input Serial Number which you received from your distributor to generate Application File(.xml file)

2901-DF07-0000-0100-B383-****-0000-0300

Generate

Quantity of license: 2

Step2:

There are 2 options to get the Activation File:

1. Send the Application File generated in Step 1 to your distributor by E-mail to get the Activation File.
2. [Click here](#) to go to our online activation service center to get the Activation File. Login with the serial number you have, and then use the Application File to get the Activation File.

Step3:

Input Activation File you received to activate GstarCAD

Browse...

Activate

Exit

Click Save to save the generated Application File and send the file by e-mail to your distributor from whom you purchase GstarCAD, and you will receive an Activation File correspondingly.

(e.g: 3401-DF07-0000-0100-C9D9-9801-0000-0400-resp-svr-act.xml).

After you receive the Activation File, Take the Response XML File back to your computer and continue. In the Activation dialog box, please click the “Browse” button to select the Response XML File and click the “Activate” button.

Click the "OK" button to exit.
