GstarCAD network with dongle version activation, legacy 2013 - 2017

1151 kbadmin July 6, 2021 Activate / Deactivate 0 5385

Network (USB Dongle) Activation

Sever Setting You need to specify server computer and install network driver of the USB dongle. Insert the network dongle to USB interface after the installation of GstarCAD 2016. The dongle will be recognized automatically.

Client Setting

In a same local area network, start GstarCAD 2016 and then the Welcome to GstarCAD window will pop up, Select the version and click the "Activate" button.

The GstarCAD Register window opens. Please select **Hardware-encryption of Network** and click the "**Next**" button.
