

How to enable object snap to hatch ?

1229 kbadmin June 30, 2021 [Setting / Configuration](#) 0 4664

There are several users asking, why they can't snap to hatch object, the answer is simple, because they did not enable a drafting option to snap to hatch object.

To enable it, simply issue `OPTION` command. In option dialog box, drafting tab, in object snap options, turn off ignore hatch objects. You can also set this option by changing `OSOPTIONS` system variable.
