Manual Activation

Instruction: If your computer is not connected to the internet, you can use the activation file (XML file) to activate your GstarCAD 2021 manually.

1. Click Manual Activation(M) and select a version of GstarCAD (Professional, Standard and Education) from your computer.

The screenshot shows the 'GstarCAD License Manager' window. On the left sidebar, 'Manual Activation(M)' is selected and highlighted with a red box. Below it, the 'Product version' section is also highlighted with a red box, showing three radio buttons: 'Professional' (selected), 'Standard', and 'Education'. The main area contains instructions: 'If there is a license of higher version existing please **ACTIVATE** it directly. For a new activation, please input license key and move to the next steps.' Below this is a 'License key' input field. A list of steps follows: 1. **GENERATE** request file. 2. Upload request file to <https://license.gstarcad.net/> and get license file.(or send request file to your local distributor /reseller from whom you purchased GstarCAD products to get license file) 3. **LOAD** the license file and click Activate button. At the bottom right is an 'Activate' button. At the bottom are 'Back(K)' and 'Exit(E)' buttons.

2, Input your license key (serial number) and click the **GENERATE** button to get the request file and save it.
