Dialog Box Options

My Workspace

Displays a list of workspaces from which you can choose a workspace to assign to the My Workspace toolbar button.

Menu Display and Order

Controls which workspace name you want to display in the Workspace toolbar and menu, the order of those workspace names, and whether a separator line is added between each workspace name. The workspaces displayed here and in the Workspaces toolbar and menu include the current workspace and the workspace you've defined in the My Workspace= option, regardless of the display settings.

Move Up

Moves workspace names up in the display order.

Move Down

Moves workspace names down in the display order.

Do not save changes to workspace

Does not save changes you've made to a workspace when you switch to another workspace.

Automatically save workspace changes

Saves changes you've made to a workspace when you switch to another workspace.
