WMF Files

[GstarCAD 2027](#) · [User Guide](#)

User Guide > Share Data Between Drawings and Applications > Import Other File Formats > WMF Files

To produce clip art and other non technical images that users need for drawings, they frequently use WMF (Windows Metafile format) files.

WMF is a file format which is supported by the Microsoft Windows operation plan, WMF is independent of the output device, WMF needs less disc space than any other file formats.
