Block Editor

[GstarCAD 2027](#) · [User Guide](#)

User Guide > Create and Modify Objects > Create and Use Blocks > Dynamic Blocks > Block Editor

You can access the Block Editor by typing the edit command or by double-clicking the block without attribute. The Block Editor ribbon interface will show as below, the black arrows mark the stand for parameters, while the yellow lighting is the symbol for action. It will pop-up toolbars in a classic interface.
