Change Block Color

[GstarCAD 2027](#) · [User Guide](#)

User Guide > Express tool > Blocks > Change Block Color

The bChgCol command is used to modify the block color quickly.

Operation steps:

- 1.Start the command.
- 2.Input new color number, here we input 30 for example.
- 3.Select block objects, for which the color needs to be changed
- 4.Finished modifying.
