What's new in GstarCAD 2027 > Batch Plot Improvement

The new version of the batch plot feature supports custom modification of the plot order.

When plotting multiple copies, you can set the sequence to either plot by page or plot by copy.

If you wish to switch to plot by copy, after setting the number of copies, you can click the plot

Plot by page

If plotting two copies in "print by page" mode, the plotting sequence will be: 1,1,2,2,3,3. The interface is as follows:

Plot by copy

If plotting in "plot by copy" mode, the plotting sequence will be: 1,2,3,1,2,3. The interface is as follows:
