

Block Editor — GstarCAD 2027

5068 kbadmin September 25, 2026 [Command Reference](#) 0 11

Block Editor

[GstarCAD 2027](#) · [Command Reference](#)

You can access the Block Editor by typing the edit command or by double-clicking the block without attribute. The Block Editor ribbon interface will show as below, the black arrows mark the stand for parameters, while the yellow lighting is the symbol for action. It will pop-up toolbars in a classic interface.
