To Create a Dimension Style

[GstarCAD 2027](#) · [Command Reference](#)

To Create a Dimension Style

1. Click Dimension > Dimension Style on the main menu.
2. The Dimension Style Manager dialog box is displayed, in which you can click New.
3. The Create New Dimension Style dialog box is displayed, in which you can enter a name for the new dimension style, and click Continue.
4. The New Dimension Style dialog box is displayed, you can click each tab, and make any changes for the new dimension style.
5. Click OK and then click Close to exit the Dimension Style Manager dialog box.
