To Edit Xref or Block References in Place

[GstarCAD 2027](#) · [Command Reference](#)

To Edit Xref or Block References in Place

1. Click Tools > Xref and Block In-Place Editing > Edit Reference In-place on the main menu.
2. Select the reference that you want to edit.
3. The Reference Edit dialog box is displayed, select the specific reference that you want to edit.
4. Click OK.
5. Select the objects you want to edit in the reference.
6. Edit the objects in the working set. Click Save Changes.
