To Export Selected Objects to a WMF File

[GstarCAD 2027](#) · [Command Reference](#)

To Export Selected Objects to a WMF File

1. Do one of the followings:

- Select Application menu > Export > Other Formats on the main menu.
- Type EXPORT or EXP and press Enter.

2. The Export Data dialog box is displayed, in which you can enter a file name and select the file type and then click Save.
3. Select the objects you want to save to a WMF file.
