To Import a DGN Drawing

[GstarCAD 2027](#) · [Command Reference](#)

To Import a DGN Drawing

1. Click Application menu > Import > DGN or enter the DGNIMPORT command at the command line.
2. The Import File dialog box is displayed, find and select the DGN file you want to import, or enter the name of the DGN file in the File Name box.
3. Click Open.
