To Import an ACIS File

[GstarCAD 2027](#) · [Command Reference](#)

To Import an ACIS File

1. Do one of the followings:

- Select Application menu > Import > Other Formats on the main menu.
- Type IMPORT and press Enter.

2. The Import File dialog box is displayed, in which you can find and select the ACIS file you want to import or enter the name of the ACIS file at File Name.

3. Click Open.
