To Make a Block Definition Annotative

[GstarCAD 2027](#) · [Command Reference](#)

To Make a Block Definition Annotative

1. Click Insert tab > Block Definition panel > Create Block drop-down menu > Create Block in the ribbon.
2. In the Name drop-down list, select the block you want to modify.
3. Under Behavior panel, click Annotative and then click OK.
4. The Block-Redefine Block dialog box is displayed, Click Yes.
