## To Rename a View or Change View Properties

[GstarCAD 2027](#) · [Command Reference](#)

### To Rename a View or Change View Properties

1. Click View > Named Views on the main menu.
2. The View Manager dialog box is displayed, expand View Lists as needed, and click the view name you want to change.
3. Click the property that you want to change.
4. Specify the new property value by entering a new value or by selecting from a list of values, and click OK.
